If a Nursery place is offered, the following conditions will apply:

1. There is no statutory right to a Nursery place. If places are oversubscribed, the school will apply its own admissions criteria to determine which children to admit. If a child cannot be offered a place, there is no right of appeal against that decision.
2. A child will complete the Nursery course and remain in the Nursery class until he/she is eligible to transfer to full-time provision in a Primary School. (This requirement may be waived if, for example, parents move house and it is no longer reasonable for a child to continue to attend this Nursery class).
3. **The time for transfer from a Nursery to a Primary School is at the beginning of the Autumn Term if the child is four by 31st August.**
4. Once a child is admitted to Nursery class/school, regular attendance is expected.
