

# Stakeford Primary School

We are very excited to announce that school was contacted earlier this term by **Blue Peter**. Every year our school takes part in fundraising for **Children In Need** and this commitment has been noticed. The organisers of Children in Need recommended our school to Blue Peter to help them relaunch their Bring And Buy Sales!

The event will take place on Friday 11th October at 3:15 pm . We will be joined by **Lindsay and Richie**, the presenters, and the camera crew who will film the setting up of the event then the event itself. The film will appear on the 17th October Blue Peter show to launch the come back of the Blue Peter Bring and Buy Sale for Children In Need.

We have already been working with the new PTA who are supporting with the organisation and now we need your help. We are looking for donations for the following stalls:

**Rainbow Tombola:** We are looking for donations for our tombola stall with a twist. The donations can be sweets, toys, toiletries or stationary but each class are being asked to bring in a certain colour.:

Nursery—Red

Reception—Orange

Year 1—Yellow

Year 2—Green

Year 3—Blue

Year 4—Purple

Year 5—Pink

Year 6—White

All donations need to be handed to the school office before Wednesday 9th October.

**Toy Stall:** This is the perfect chance to recycle any toys you no longer use. Please do not bring any electrical toys. Toys should be in good, clean and working condition. For every toy donated we will give a free raffle ticket to the donator for free entry to our raffle. Please hand your donations in to the school office.

**School Uniform:** We thought that this would also be the ideal opportunity to recycle some of your old school uniform items. We would appreciate if all items donated could be clean and in good condition. Please hand any donations in to the school office.

We will send more information closer to the day with details of other stalls and activities. We are really looking forward to hosting this exciting event!

## Targets

We are changing the way that we set educational targets for our pupils. Rather than setting termly targets that can be shared at parents evenings, we will be setting targets for each unit of work in Maths and English. This will mean that the targets link to their current learning and are achievable in a shorter period. These targets will still be shared with you as parents but we will now do this via 360 for Early years pupils and Class Dojo for children in years 1-6.

Please can any parents who have not already signed up to these online home/school communication tools, do so as a matter of urgency. If you need help, please ask your child's class teacher.

## PTA 2019

We would like to extend a warm welcome to the members of our newly re-formed PTA.

We have already started working together on the Bring and Buy Sale and are looking forward to many more events.

If you are interested in getting involved, let the office know and we will put you in contact with the committee chair person, Becky
