## Twitter

We now have an official school Twitter page! All week, staff have been tweeting about the work our pupils have been doing in school for Anti-bullying Week and Road Safety Week and there has been a fantastic response.

We recently sent out a new permissions slip to include Twitter, however, because the Twitter and Facebook accounts are linked, if you have only given permission for one of these platforms, your child will not be featured on either. We apologise that this may not have been clear on the form. If you would like a new permissions form, please request one at the school office. Our new Twitter account is. @StakefordSchool

## After School Provision Friday 6th December

Please note that there will be no after school provision on Friday 6th December due to staff shortage. We apologise for any inconvenience caused.

## Winter Sickness Bug

We have had a lot of pupils absent this week with the unpleasant sickness bug that is making its way around schools at the moment. Our cleaning team will be doing a deep clean after pupils leave tonight, so we hope that after the weekend we be sickness free. If your child has been sick, they will need to stay off for 48 hours after the last bout.

Can we also ask that you ring in to report a sickness before 9:15 am. A lot of staff time is being taken up ringing parents of children who have not contacted school to report an absence. This takes staff away from their work with pupils.

## Children in Need 2019 Update

The money raised through the sale of official merchandise and a generous donation from ASDA, who match-funded the money raised on our Bring And Buy Sale book stall, have brought our final total to an amazing

£1,293

Thank you so much to everyone who supported our fundraising for Children In Need this year.
