

Stakeford Primary School

Year 5 Curriculum Information

Stakeford Primary School

Curriculum Intent

Our aim is to provide ALL of our pupils with a curriculum which equips them with the **motivation, aspirations, skills and knowledge** to become lifelong learners.

Our curriculum will provide us with:

S	T	A	K	E	F	O	R	D
Skills to help us communicate with a rich and varied vocabulary.	Time and support to ensure we are fluent readers, with a desire to read.	A firm foundation in basic skills so we have the building blocks for our future learning.	Knowledge of the wider world in which we live	Engaging and enjoyable learning experiences to inspire us.	Friendships, relationships and an understanding of self.	Opportunities to revisit and develop skills to help us excel.	Readiness for the next stage in education and life.	Determination and resilience to achieve our potential.

As a school we believe that reading is the key to unlock all learning. All English units are focused on a central text. Our school uses the Book Club reading scheme.

Pupils have daily Maths lessons and our school follows the White Rose Maths scheme. In addition to Maths lessons, we build time into each day to build fluency in basic number recall.

Other curriculum subjects are taught across the year to ensure that over the whole of KS2, children visit the objectives of the National Curriculum in sufficient breadth and depth.

Autumn Term

Year 5	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week 14	Week 15
