Anti-bullying Week 2023

Next week is Anti-bullying week 2023 and this year the theme is 'Make A Noise About Bullying!' Every year we take part in this national event as part of the programme of anti-bullying work we do annually.

On Monday, we will be inviting children to come in to school wearing odd socks for '**Odd Sock Day**' to celebrate difference at the start of the event. Each class will then be completing themed activities as part of their PSHE lessons. We will also be encouraging children to celebrate acts of kindness in each class with an acts of kindness box. At the end of the week, Year 6 will be preparing a video of events which we will share via the school website.

You can get involved too! This week we will be sending home another online safety leaflet from the National College. Last year, incidents both on Whatapp and games consoles created a lot of issues for some of our KS2 pupils so we have chosen the theme of 'Cyberbullying'. The leaflet includes some ideas to support you with conversations about your child's experiences online and guidance on what to do.

We will also be reviewing our Anti-bullying Policy and are inviting you to take part. Below is a link to a google form where parts of the policy will be shared for consultation. Please take a few minutes to have your say. The consultation will close on Wednesday 15.11.23.

Children In Need 2023

Children in Need 2023 is celebrated on Friday 17th November. Children are invited to come to school wearing their favourite colour next Friday for a small donation. This can be whatever you can spare, 50p would be ideal, and there is no need for a donation from every child in the family.

During the day children will be taking part in themed activities and we will be having a visit from a special visitor arranged by ASDA. Who could that possibly be...

Reception Applications Portal

On the 6th November Nursery parents were sent an email with the link to the portal to apply for their child's Reception place. All applications must be done through the portal which closes on the 15th January 2024.

Stakeford Story Time

This week's story link is to 'Man On The Moon' by Simon Bartram. Read by Mrs Preece. This is a great story to share with children in all year groups.

Story Sharing Ideas:

- After listening to the story, how many space words can your child find or remember.
- Ask your child if they think Bob really believes that aliens do not exist. Can they explain why they think this?
