Free Breakfast Club Offer

Great news! Mrs Barratt has been able to secure funding through Kellogg and support from Asda that will enable us to offer Breakfast Club for free until Christmas! All parents need to do is complete the online booking forms for sessions starting Monday 6th October. For more information about breakfast club and to access the forms please visit the school website.

Stakeford Story Time!

As promised in the last newsletter, we are thrilled to share our first story link. The link below will take you to a story telling of 'A Squash And A Squeeze' by Julia Donaldson, read by Mrs Dixon. The story is aimed at children in the EYFS and KS1.

Sharing ideas:

- Share the story each night for a week and encourage your child to join in with the song.
- For children in KS1, why not encourage them to read along.
- After the story, tell your child which is your favourite part and why, then ask them to share theirs.

Safeguarding Reminders

Children in Years 5 and 6 have been arriving at school too early and are hanging around in groups on East Ford Road, sometimes from 8:10 am. School opens its doors at 8:30 am for the soft drop off and this should be the earliest children who are travelling on their own arrive. As the dark mornings arrive, this could present a potential safeguarding risk.

Aggression towards staff from parents has increased towards the end of term and will not be tolerated. If parents are not happy with a situation, they need to ring school and make an appointment to speak to the class teacher or a senior leader. Children witnessing this aggression can feel unsafe and some may feel that, because an adult is doing this, it must be okay for them to do it!

Sickness and diarrhoea bugs are making the rounds of schools again. Please remember that children must remain at home for 48 hours after the last bout, just to ensure that they are no longer contagious.

Online Safety

Over the next few weeks, each newsletter will be accompanied by a PDF advice leaflet for parents on a different aspect of online safety. The leaflets give advice and raise awareness of some of the dangers and issues faced by children in the online world. The leaflets have been produced by the National College.

The first leaflet, this week is about 'Online Safety For Under 5s' and contains 10 top tips. If you have any online concerns, or to request any specific topics for these sheets, the computing and online safety lead in school is Mrs Hall.

Happy Holiday!

School closes today for the half term holiday and will re-open on Monday the 6th November.
