School Menu Launch

Last week, we published our new school menus and a copy is attached to this email. The menus are checked against the School Food Standards and are based on what we have found the children enjoy eating. This is the main menu and does not record the alternatives that are prepared to meet special dietary requirements.

Please can we ask that parents inform us of any dietary choices including any recent changes to vegetarianism or becoming vegan. We need this officially from a parent so that alternatives can be prepared and planned for in advance.

The menus also record known allergens. Please ensure that school is informed of any food allergies your child has so that the necessary plans and safeguards can be put in place.

Safeguarding Updates

The NSPCC has published figures showing which platforms children name when they talk to Childline about online sexual abuse. Between April 2025 and March 2026, **Snapchat** came top with 324 mentions, up 19% on the year before. It was followed by **TikTok** (234), **Instagram** (197), **Discord** (92) and **WhatsApp** (39). Between them, these five platforms came up in nearly 900 counselling sessions.

We are mentioning this because although none of our pupils are old enough to have accounts on the apps in bold, many of them do, with or without parent permission.

The full article can be read [here](#)

Macmillan Coffee Morning

On Friday, Year 5 will be holding their annual Macmillan Coffee morning. This is part of their PSHE programme and Macmillan is the worthy cause school have chosen because Cancer has touched the lives of so many of our families.

It would be amazing if we could break past records and have more people attend than ever before! Pop in with family or friends to have a sit, a chat, a warm drink and a piece of cake.

Date: Friday 25 September

Venue: Stakeford Primary School Hall

Time: 9:00 – 10:00
