Holiday Date Change

Unfortunately, when the term dates for 2026-2027 were sent out to schools, an error had been made to the date of the end of the Summer 2027 holiday. The summer holiday will end on 6th September 2027, not the 1st September 2027 as published. The date has been corrected on our website. Please note that training days for September 2027 have not yet been set and may affect the return date further for pupils.

Macmillan Coffee Morning Thank you

Thank you to the parents and family members who came along to support Year 5's Macmillan Coffee morning. The children have been able to raise £145.50 for this worthwhile cause. Well done Year 5!

Free Books

Over the years school has had a large number of books donated, by staff and parents alike. This has helped us to build up our whole school and class libraries. We never want to throw books away so we will be setting up tables at the end of the school day for the next week with pre-loved books for free. Please help yourself to any books your child would like to take home, read, keep to build up your own home collections.

Fire Safety Message

NFRS have asked all schools to share the following message. With Bonfire Night approaching, Northumberland Fire and Rescue Service is encouraging parents and carers to talk to their children about the dangers of deliberate fire setting. Deliberate fires can put people, property, and the environment at risk, while placing additional pressure on emergency services.

Please take a moment to read the Deliberate Fire Setting leaflet included with this email, which highlights the risks and consequences of fire setting and provides details of support services available.

We also encourage families to celebrate Bonfire Night safely by attending organised displays where possible and ensuring any fireworks used at home are handled responsibly and under adult supervision.

Parent Consultation Appointments

Next Monday, we will be sending out a link to book parent consultation appointments which will take place on Tuesday 20 October and Wednesday 21 October. We ask that children do not attend these appointments and so will also offer telephone appointments for parents with childcare issues.
